Office of Legislative Counsel

1. Called Judge Morris, of the Senate Internal Security Subcommittee
25X1 staff, and informed him that [redacted] had no specific recollection of any
connection between Burgess and McLean and the Soviet intelligence service.
25X1 I further informed Judge Morris, however, that [redacted] had recalled one
or two incidents which he speculated might have had at least some indirect
connection with the case. Judge Morris indicated that he was not particularly
interested in pursuing the matter if there did not appear to be any recollection
of a direct connection. He informed me that the Committee would probably
25X1 want to hear again from [redacted] in a couple of weeks.
